## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 55-86 allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest an optical apparatus or an camera system comprising: a zoom lens; and a control means for executing preset drive control on said zoom lens; wherein said control means is adapted, when said zoom lens is driven and said memory instructing operation means is operated, to cause said memory means to memorize the actual drive speed and the actual drive direction of said zoom lens as the preset speed information and the preset direction information, and to drive said zoom lens with a speed corresponding to said memorized preset speed information and in a direction corresponding to said memorized preset direction information in response to the operation of control starting operation means while the drive instructing operation means is not operated; and used in combination with all of the other limitations of the claims 55, 61, 69, 75, 83 and 85.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
